OSA, has been advised. (See Memorandum for the Record.) 8. Accompanied Representatives Donald W. Riegle (R., Mich.) and Paul N. McCloskey (R., Calif) who visited the Agency for a briefing on Vietnam by George Carver, SAVA. Because of time limitations, Mr. Carver had an opportunity to cover only the North Vietnamese situation. Messrs. Riegle and McCloskey were obviously keenly interested and asked a number of thoughtful questions—Riegle seemed more interested in political and policy aspects, and McCloskey in strategic and military. Representative McCloskey said he would like me to attend a small social gathering at his home in the near future for a discussion of the Soviet Union.	25X1
12. Received several telephone calls from	25X1

shared by Dr. Kissinger and Mr. Ehrlichman, that the Director was	
scheduled to appear, jointly with Ambassador Unger, on Monday morning	
17 November During the course of several conversations,	25X1
I emphasized to Lehman that we had received no such invitation from the	20/(1
Subcommittee, and indeed were told by Subcommittee staff members that	:
no such appearance was scheduled, but Lehman insisted that the White House	4
had contrary information. (See Memos for the Record for details.) Late
